## Sly Park Environmental Education and Conference Center Facility Use

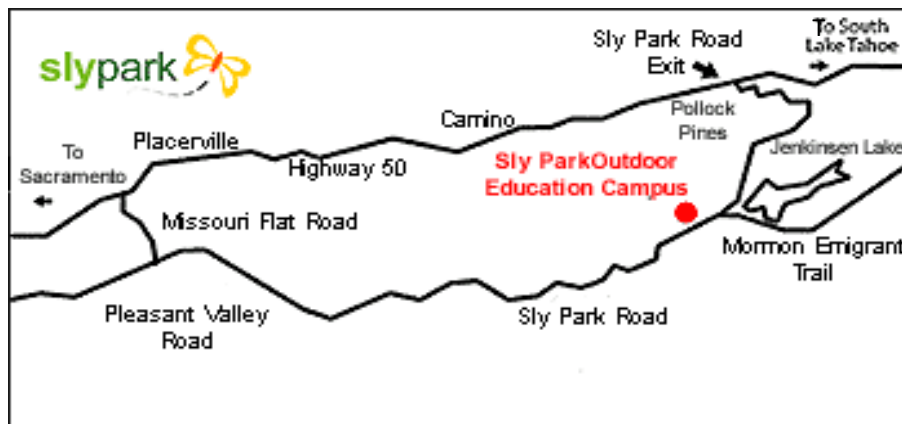

---

The purpose of this handbook is to provide important information and guidelines for groups renting the Sly Park Environmental Education and Conference Center Facility.

The Sly Park Environmental Education and Conference Center (Sly Park) is an outdoor science and environmental education campus, operated by the Sacramento County Office of Education (SCOE). During the summer, and occasionally on weekends, private organizations may rent the facility.

The campus is located approximately sixty miles east of Sacramento and six miles south of Highway 50 on Sly Park Road in the El Dorado National Forest. The elevation is 3500 feet. During the fall and spring, the days are warm and the evenings are cool. From mid-November through April, inclement weather can occur, sometimes resulting in some snow. During the summer months it can be quite warm, although it is usually 10-15 degrees cooler than Sacramento. Of course, in the mountains weather can vary dramatically. Be prepared with clothing and gear for any kind of weather conditions.

## **VISITORS**

In order to maintain the safety and security of your participants, unregistered visitors are **not allowed** at the Sly Park Environmental Education Center while your program is in session. Anyone dropping off or picking up a participant must check in at the Sly Park office.

Visitors may not walk around the site or participate in your program unless they are pre-registered as a participant or have pre-authorized permission from your group's director to visit. All authorized visitors must check in at the Sly Park office upon arrival.

## **ACCOMMODATIONS**

There are eight cabins, each with 24 participant beds and three chaperone/cabin leader beds. The heated cabins have bathroom facilities with sinks, showers, and toilets. **Food, gum, candy, and beverages (except water) are NOT permitted in the cabins, gym, or conference room.**

Two of the cabins are ADA Compliant and are equipped with appropriate fixtures. Only assigned cabins and restrooms may be used. The staff cabin has eight rooms with a total of 16 beds, three shared restrooms, and a small kitchenette with a refrigerator and a microwave oven. Participants are responsible for maintaining clean living areas during their stay.

Linens are not supplied. All participants will need to bring a sleeping bag or bedding, a pillow, bath towel(s), hand towels, toiletry articles, etc.

Other facilities available include the education building (seven individual meeting rooms), gym, amphitheater, S.T.E.A.M. Center, and conference room. Use of any of these facilities must be arranged when you make your reservation and must be listed on your program agenda. There are hiking trails from Sly Park to Jenkinson Lake, Park Creek, and Clear Creek.

Sly Park has an observatory and a Challenge Wall available for an additional charge. You must submit your request in writing at least six weeks prior to your arrival if your group is interested in utilizing these unique amenities.

During normal working hours, the Sly Park facility Director/designee, kitchen staff and/or custodian will be available to assist you. An after-hours emergency contact number will be provided for emergency situations that occur at night or after normal working hours.

## **CHECK-IN/CHECK-OUT TIMES**

Friday check-in times: Leadership staff may arrive at 1:00pm; Participants may begin to arrive at 3:00pm. Cabins will not be ready to move into until 4:00pm. All other arrival times must be coordinated with, and approved by, the Sly Park Director and will be based on facility and staff availability. Cabin check-out on the last day is 9:00am. The rest of the facilities included in your group's contract are available until the scheduled departure time. A site walk-through with the Sly Park Director/Designee will be required prior to departure. A late fee may be charged if the cabins are not vacated by 9:00am or if the facility is not vacated by your scheduled departure time.

## **FOOD SERVICE**

Sly Park provides food for every scheduled meal. Food is served cafeteria style. We cannot provide use of our kitchen facilities for your own cooking. Breakfast is served from 7:30am to 7:55am, lunch from 12:00pm to 12:25pm, and dinner from 5:00pm to 5:30pm. You must submit your request in writing at least six weeks prior to your arrival if your group is interested in modifying meal times (up to 30 minutes before or after regularly scheduled meal times). Food service lines are not kept open indefinitely; participants who expect to eat need to be at the dining hall at the scheduled serving time.

Sly Park has a standard menu. You must submit your request to modify the menu at least six weeks prior to your arrival. There may be an additional charge for specialty food items. Please contact our Head Cook at (916) 228-2320 or slyparkkitchen@scoe.net to arrange your food service needs. It is very important that we receive accurate information about participants who have special dietary needs (i.e., vegetarian, lactose intolerant, gluten-free, other food allergies, etc.) two weeks prior to your arrival.

Pre-approved visitors who will be eating meals must sign in with the kitchen staff at the dining hall. Charges for extra meals will be added to your final invoice. Cash will not be accepted by Sly Park staff. Meals for pre-registered visitors will only be available if space allows, and must be reserved 24 hours in advance.

Your group will need to provide 12 dining hall helpers for breakfast and 10-12 dining hall helpers, dependent upon the size of your group, for lunch and dinner. They will assist with cleaning the dining hall at mealtimes. If you have a small group, fewer helpers may be needed.

## **FACILITY RULES**

### **Cabins**

**Food, gum, candy, and beverages (except water) are NOT permitted in the cabins.** The staff cabin, with its kitchenette, is an exception. If your campers bring snacks, store them in an appropriate area, such as the kitchenette in the staff cabin.

Do not move beds in the cabins. The beds are arranged according to fire codes for this type of facility. Please contact the Sly Park Director/designee if extra beds are needed in a cabin.

### **Campfires**

Campfires are prohibited at ALL times on the Sly Park campus.

### **Pets**

Refrain from bringing pets, other than registered service animals, onto Sly Park Campus. If you plan to bring a registered service animal, Sly Park Director must be notified thirty (30) days prior to your group's arrival. Participants are responsible for tidying their own living areas. Garbage should be emptied into the large trash can in the utility room next to the showers. The leader of your group is required to inspect each cabin daily to ensure that the cabins are being kept clean and that participants are adhering to all Sly Park rules. Program leadership should inform the Sly Park Director/designee of any maintenance needs in each cabin.

Your group is responsible for cleaning up any litter left by participants.

Before the participants leave Sly Park on the final day, a general inspection of their cabins must be done by your program's leader along with the Sly Park Director/designee. A departure checklist is included in this handbook. The group will be billed for any facility damage, graffiti, and/or vandalism, as well as extra custodial work needed if the cabins are left in disarray.
